

Ricardo Mahoney

Sales Manager

TelDig

Ricardo Mahoney is a member for the CCGA National Marketing & Education Committee as well as a member of the CGA Tech Committee and the CGA Educational Programs & Marketing Committee.

Prior to joining TelDig, his employment experience includes Business Development/Sales applications in 3D Simulation Training/Augmented Reality in Aerospace, Medical and Education Market. Ricardo is a founding member of boards such as International Game Developers Association (IGDA-Quebec), MODSIM World Canada and Serious Games Canada. Ricardo Co-chaired Game Developers Conference (GDC) a game industry event targeting multiplayer, mobile and next generation game technologies.

Ricardo's experience gives him insight as to the appropriate Next-Gen 3D and Augmented Reality technologies for enhanced utility subsurface mapping. Ricardo is currently the Sales Manager at TelDig.
