## Manager, Service and Gas Operations

### Utilities Kingston

---

Karen Santucci is the Manager of Service and Gas Operations at Utilities Kingston. Karen started her career at Utilities Kingston in health and safety, and over time took over the additional roles of Manager of the Locate Group, the Emergency Control Room and the Service and gas construction group. These unique opportunities have allowed her to gain extensive experience in all areas of damage prevention. In 2014 Karen was the recipient of the National Outstanding Achievement Award from CSSE, and Utilities Kingston was awarded the 2014 Worker Safety Award, for their Safety Days Event.
