

Todd Scott, B.Sc., CET

Enbridge Gas New Brunswick

Through his various supervisory and managerial roles with Enbridge Gas New Brunswick over the past 17 years, Todd Scott, has worked diligently with the contracting community, municipal partners and regulatory agencies in New Brunswick promoting “Click/Call Before You Dig” and safe digging practices. In 2012, Mr. Scott’s focus on damage prevention heightened when the Atlantic Canada Common Ground Alliance (ATLCGA) was first conceived and he was named the Chair of the steering committee. Since that time, Mr. Scott also acted as the ATLCGA’s representative on the Canadian Common Alliance (CCGA) Board. Mostly recently, he was named as the first official Chairperson of the Board of Directors of the ATLCGA upon the adoption of their initial governance model in November 2016. He also proudly serves as the Vice Chair of CCGA Broad.
