

# James Hallisey P.Eng

---

Mr. Hallisey has been with the Resort Municipality of Whistler for 16 years. In that time the Resort has evolved from having shoulder seasons to its current status as a year-round destination. During this time, he has managed the Capital Projects for the Infrastructure Services (Engineering) Division and for the last two years has managed that position as General Manager. James was involved in the Capital Projects leading up the 2010 Olympic Games.
