

Lance Norman

President

LN Land Development Technologies Inc. & LN Land Services Group Inc. (AKA LN)

Started in 2011.

Includes the following Departments;

- LN Land Surveys
- LN Construction Surveys
- LN Engineering
- LN Locating
- LN Geotechnical
- LN Inspections
- LN Management

LN Currently employs over just over 100 technical staff spread through Alberta and parts of British Columbia. LN & Companies employ over 150 employees total.

LN's 10 year goal is to grow our business from its current revenue @ +/- \$15,000,000.00 to \$50,000,000.00 with a major part of our business coming from the Damage Prevention sector.
