

Roland Strong

Gas Safety Officer

Technical Safety BC

As an experienced Class A gas-fitter and gas safety officer, Roland knows first-hand the importance of the Compliance and Enforcement Program at Technical Safety BC. His approach to compliance and enforcement is to be objective, and even-handed, with the goal of impacting behavioural change to better safety outcomes. Roland has been with Technical Safety BC for six years and currently works as a senior safety officer on the Compliance and Enforcement team. He holds a bachelor's degree from UBC and lives in Squamish with his wife.
